ROAD TO ONE

SOTI ONE

ONE PLATFORM CONNECTING EVERYTHING

SOTI ONE Platform

SOTI SNAP

RAPID APP DEVELOPMENT

- Reduce costs – build and deploy apps in minutes
- Anyone can create apps
- No-code, drag and drop development
- Apps run on iOS and Android
- Built-in data sync and reporting
- Responsive apps – auto-adapt to tablet and phone layouts
- **Built-in iOS remote support**

SOTI ONE Platform

SOTI Mobicontrol

ENTERPRISE MOBILITY MANAGEMENT

- Unified endpoint management - iOS, Android, Windows, Linux (new), Printers
- Enroll and stage out-of-the-box
- Optimized for iOS in COBO deployments
- Android+ technology
- Industry leading support for rugged
- Email, app and content management

SOTI ONE Platform

SOTI Assist

MOBILITY HELP DESK

- Mobile-first Help Desk solution with integrated remote control, diagnostic and EMM tools
- Reduce time to document incidents – automatically drop screenshots, device and user info into tickets
- Reduce time to troubleshoot through integration with other SOTI ONE solutions
- Reduce complexity for supporting mobile users
- Advanced audit logging of interactions

SOTI ONE Platform

SOTI INSIGHT

BUSINESS INTELLIGENCE

- Customizable portal to provide business insights
- Pull the data you want from devices, apps, users, sensors, data collections, or other sources
- Leverage machine learning to pre-emptively detect device failures and uncharacteristic patterns
- Empowers business to make critical decisions with full visibility into their operations

SOTI ONE Platform

SOTI CONNECT

IoT GATEWAY

- Allows organizations to leverage IoT to revolutionize their operations
- Data driven, console to configure devices, and protocols
- Visualization system allows remote viewing of environments
- Built-in Protocol Adapters for common protocols e.g. LWM2M, MQTT, LoRa
- Protocol Adaptor SDK allows interaction with non-standard/legacy devices
- Automation Controllers allow devices and software to interact with each other via no-code recipes

SOTI ONE Platform

SOTI CENTRAL

CUSTOMER & PARTNER COLLABORATION

- Portal to facilitate communication ecosystem between customers, partners and SOTI
- News and info about products and services
- Moderated forums to allow access to experts, information sharing
- Curated - apps, hardware, services that integrate well with the SOTI ONE platform
- Lead generation for SOTI partners

SOTI ONE

ONE PLATFORM CONNECTING EVERYTHING
